***Mega Millions* Jackpot Estimated at \$312 Million!**

BERLIN, VT. – March 24, 2011 – The jackpot for Friday's ***Mega Millions*** drawing is an estimated **\$312 million**, the second largest ***Mega Millions*** jackpot since it rose to \$380 million in January.

Friday's jackpot is one of the largest since the ***Mega Millions*** game was introduced in Vermont January of 2010. In last Tuesday's ***Mega Millions*** drawing, one lucky Vermont player won a \$10,000 prize!

Vermont lottery games are sold at almost 700 locations throughout the state. For updated game and winner information, as well as on-line game draw results, please visit www.vtlottery.com.

All Vermont Lottery profits are used to support the Vermont Education Fund. Vermont Lottery officials encourage everyone to play responsibly.
