## **First *Megabucks Plus!* Winner in Vermont!**

BERLIN, VT. – August 3, 2009 – Who won the very first *Megabucks Plus!* jackpot, with a prize of \$4.89 Million last Saturday night?

Well, we still don't know who the lucky player is, but we do know that they purchased the winning ticket at the Beverage Baron, on North Main Street in Barre, Vermont. The winning numbers were 10-13-14-24-25, and the Megaball number was 4.

Saturday's drawing was only the second since the Tri-State Lotto launched *Megabucks Plus!* on July 26. The new game has better odds of winning a prize, a \$30,000 second prize, and starting jackpots of \$1 million. In addition to the jackpot, more than 9,000 Vermont players also won prizes in Saturday's drawing, ranging from \$2 to \$150.

Earlier this year, a Vermont Lottery player also won the first *Weekly Grand* jackpot, with an option of a \$1,000 per week for 20 years, or a \$600,000 lump sum payment.

Vermont lottery games are sold at almost 700 locations throughout the state. For information on lottery games and on-line game draw results, please visit
