Megabucks jackpot soars to more than \$9 million

BERLIN, VT. – May 9, 2008 – As the grass gets greener, the Megabucks jackpot does as well. Currently the 7th biggest lottery jackpot in the US, the estimated annuitized jackpot for the Saturday, May 10 drawing is \$9.325 million – the largest Megabucks jackpot since August 2007.

Between December 2006 and January 2007, Vermont had three Megabucks winners in a row, winning jackpots of \$500,000, \$950,000 and \$4.5 million.

Vermont lottery games are sold at almost 700 locations throughout the state. For information on lottery games and on-line game draw results, please visit www.vtlottery.com.

All profits from Vermont Lottery are used to support the Vermont Education Fund. Vermont Lottery officials encourage everyone to play responsibly.
