## **Another \$10,000 Powerball Winner in Vermont**

BERLIN, VT. – June 17, 2010 - A lucky Vermont Player won \$10, 000 in last night's *Powerball* drawing. The ticket was sold at Cumberland Farms in Wallingford, VT. The win came a month after two people in Vermont each won \$10,000 on *Powerball* tickets in May. The ticket has not been claimed, nor did the player choose the Power Play option which multiplies a non-jackpot win up to five times. The Power Play number last night was 5.

The estimated jackpot for this Saturday's *Powerball* draw is \$78,000,000.

Vermont lottery games are sold at almost 700 locations throughout the state. For information on lottery games and on-line game draw results, please visit [www.vtlottery.com](http://www.vtlottery.com).

All profits from Vermont Lottery are used to support the Vermont Education Fund. Vermont Lottery officials encourage everyone to play responsibly.
