Megabucks jackpot is more than \$7 million!

Powerball is top US jackpot at \$68 million

BERLIN, VT. – April 8, 2008 – With spring finally here, this week's Megabucks and Powerball jackpots could give someone a chance to see more green.

For Tri-State players, the Megabucks jackpot rings in at \$7.275 million. Last month, someone in Vermont purchased a ticket at Shelburne Beverage and won a \$10,000 Megabucks prize. The winner has yet to claim their prize.

For the Wednesday draw, the Powerball jackpot now stands at \$68 million, currently the highest jackpot offered in the US.

The odds of winning Megabucks are 1 in 5.2 million. The odds of winning the Powerball jackpot are approximately 1 in 146 million.

Vermont lottery games are sold at almost 700 locations throughout the state. For information on lottery games and on-line game draw results, please visit www.vtlottery.com.

All profits from Vermont Lottery are used to support the Vermont Education Fund. Vermont Lottery officials encourage everyone to play responsibly.
